Sierra Nevada Energy Watch (SNEW) is a program implemented by Sierra Business Council to promote energy efficiency and renewable energy use in the Sierra. We work to build climate resiliency as well as provide economic, environmental, and social benefits to communities in the region. SNEW serves Alpine, Amador, Butte, Calaveras, El Dorado, Lassen, Mariposa, Nevada, Placer, Plumas, Sierra, Sutter, Tuolumne, and Yuba counties.

**Services Offered**

- Preliminary On-Site Energy Audits
- Energy Use Analysis
- Energy Efficiency Project Management
- Contractor Referrals
- Funding Solutions and PG&E On-Bill Financing
- Education and Training
- Stakeholder Outreach and Engagement
- Facility Benchmarking
- Resilience Planning Services
- Public Sector GHG Inventory and Re-Inventory Services
- Energy Action Planning

**CREATE A MORE RESILIENT AND ENERGY INDEPENDENT SIERRA**

We work closely with local governments, school districts, public agencies, and businesses to increase the capacity of the public sector to identify projects, take advantage of financing opportunities, and implement on-the-ground energy-saving projects.
